Explain: Robert Lemmons was a legendary mustanger who became a wealthy rancher and helper of people in need.

Let's make a craft celebrating Robert Lemmons.

Parent: We will be making a paper figure of Robert Lemmons using simple shapes.

Instructions:

1. Look at the picture on the *Craft* sheet.
2. Print out the craft shapes.
3. Have older children cut out the shapes. Assist younger children.
4. Have your child sort out the shapes.
5. Ask "How many ovals do you see?" "How many squares do you see?"
6. Tell your child to select the smallest square.
7. Ask, "Do you know how to turn a square into a triangle?" Listen to their answer.
8. Rotate the square 45 degrees so it is a diamond. Then fold the diamond in half. Reference the orange square on the *Craft* sheet.
9. Explain that half a square is a right triangle.
10. Ask your child to fold the small (red bandana triangle) over the yellow triangle. Center the triangle and paste it down onto the larger triangle with a glue stick.
11. Glue on the hands. Sandwich the small ovals between each corner of the yellow triangles with the ovals sticking out. Reference the craft picture.
